GETTING STARTED

Go to the Fidelity homepage

Select **Log in** at the top right corner of the page

Log in with your username and password

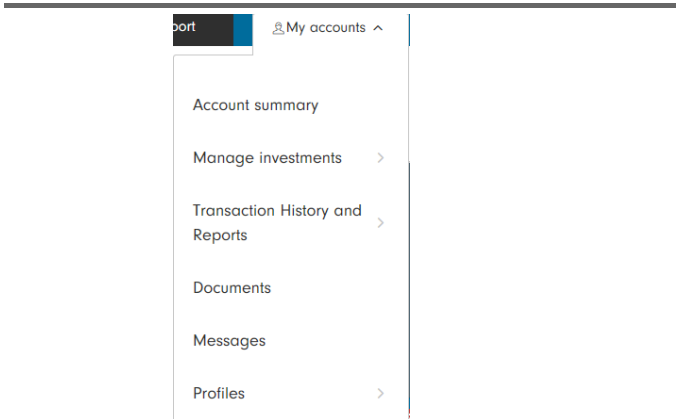

If you have previously created your own username then please use that.

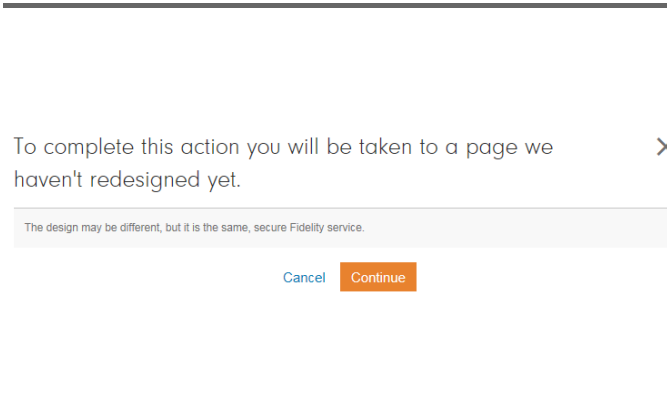

If you don't have online access, you can register on the link at the bottom of the website page.

GETTING TO MY PERSONAL INFORMATION

At the top right of the page, select **My accounts > Profiles > Personal information**

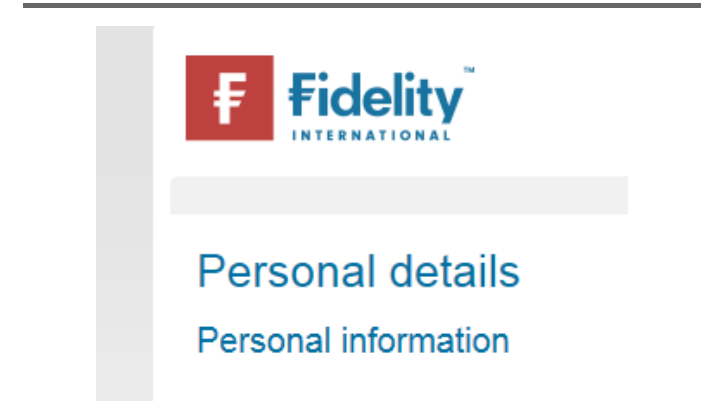

Select **Continue** to be directed to the right page

A message will appear and guide you to the right page. The design may be different, but it is the same secure Fidelity service.

View and edit your details

You may be familiar with the current design of the personal details section. Please continue to use this as we are in the process of adding the new design soon. Make sure you select 'Submit' to confirm any changes you've made.

Once you're done with the changes, select 'Back to account summary' at the bottom of the page.
